

## Supporting Braemar Men's Club

Braemar Men's Club was founded in 1965 to create opportunities for competitive golf and social engagement with its members and the greater golfing community. Today, 300+ members gather weekly during the six month golf season at Braemar Golf Course to participate in leagues, competitive events, and social gatherings. Annual support allows individuals and organizations to connect with our members in-person, through on-course signage, and with electronic media.

Three support programs are available; samples of each are on the following pages. Please click the Registration button below or scan the QR code to sign up. Hello BMC Members,

It is great fun sharing golf adventures together. The thrills and disappointments seem to push us forward – with the desire to be a little better next time. In many ways, experiencing golf with others reflects most of my life's work – striving to improve, enjoying the journey with others. We all have stories to tell about working to make a difference, helping others ignite the thrill of achievement.

My journey started with great mentors early in life and was greatly accelerated as Weapons Officer and Navigator on a Destroyer Escort, followed by many rewarding corporate experiences. I am grateful for being able to extend this excitement during 30 years of advising organizations with over 2300 senior leaders, in 13 countries, how to see things differently and engage the future.

My book, "Bucket Heads", was written to help us all to take the buckets off our heads, see future opportunities more clearly – have more fun and continue making a difference!

Remember – Life's more fun in the fairway!

### Guild Mortgage - Gold Cup Recap

Wed, Sept 18, 2024 8:40 AM

To  Vince Bradford X

Bcc: BMC Members

Dear Tuesday League Members,

Thank you for participating in the 2nd Guild Mortgage Gold Cup on Tuesday Sept 17th. Many thanks to Scott Nelson and Phil Jirsa for allowing the Sponsor Committee to conduct these types of events in conjunction with league play. We're super grateful to Braemar Golf Course and Red River Kitchen staff for their amazing services, facilities, and support!

Our apologies for the scorecard snafu...thanks for your understanding. Props to Phil for figuring it all out...and for entering our league scores in Golf Genius all season.

Congrats to Gavin Fischer for winning the Gold Cup stroke play event with a gross 41 and net 32. His round started with 6 consecutive bogies before a two-putt birdie on #16 and stress free pars on #17 and #18. The victory earned his team \$100 in Red River Kitchen credits. Notwithstanding, congrats to Gary Mullen-Schultz who also carded net 32, but lost a 2-hole scorecard playoff. Click here for official results.

And a shout out to Ryan Bishop for winning the CTP@17! His 9 iron was tracking dead online to a very inviting front pin...but stopped 5 feet short for an easy birdie. He earned \$25 in Red River Kitchen credits for the effort.

And finally, thank you to Vince Bradford with Guild Mortgage for his continued support of Braemar Men's Club and all of us who gather and compete on Tuesdays at Braemar. His contribution to our club helped fund the BMC@17 competitions all year and the 2024 Club Championship prize fund. We are jointly appreciative of your involvement, clubhouse commentary, and look forward to future events.

All the best from all of us at Braemar Men's Club
